To the Graduating Class of 1995,

As you begin embarking down a new path, on this road of life, my desire for you is that your steps be sure and even.

Life holds many wonders, fantasies, joys, successes, pains, and dissappointments.

During you're brief stay, here at Weequahic High School, the administration, aculty and staff have, hopefully, nourished and challenged your mind to seek out, grasp and hold onto and maintain your happiness and success in whatever arena you choose.

Steadfastness in the key. You have held on amidst good times. You have held on when it seemed you couldn'y see your way clear. You have held on when it seemed you couldn't hold on any longer. You held on, and for that I congratulate you

Take all the knowledge, skills and determination that you have acquired and apply them to the task at hand: forging a master plan for your future.

May the time spent here help you successfully press for "your mark."

May all that is good and perfect come your way.

Bruce Bennett  
Chairperson-Science Dept.

To the dreamer there are no limits to what can be achieved, you have been taught to go to school, study hard, make good grades and always be honest to yourself.

Too often we create a conflict between Idealism and Reality-however there is hope, there is a chance / opportunity for you. Therefore I say to you- let no man deter you from your dream, let nothing stand in your path to achieve your goal, because you are the future and you have the Power, the Power of a Dream.

Leon Grove Jr.  
Chairperson  
Technology & Foreign Lang.

No matter what you strive to do, always remember that teamwork is one of the most important factors in developing a successful and happy life. We hope that we have stressed the importance off it and equipped you with the skills necessary to employ it. Strive to be the best.

Good Luck,  
Autry Reynolds  
Athletic Director

Life holds for you many challenges. You are about to embark on a wonderful adventure. I am sure your years at Weequahic High prepared you well. Remember nothing comes easy. You must work hard for your goals and aspirations. Shoot for the moon, but if you miss you'll land among the stars.

## YOU CAN BE WHATEVER YOU WANT TO BE

There is inside you, all of the potential to be whatever you want to be - all of the energy to do whatever you want to do.

Imagine yourself as you would like to be, doing what you want to do, and each day, take one step towards your dream. And though at times it may seem too difficult to continue, hold on to your dream. One morning you will awake to find that you are the person you dreamed of - doing what you wanted to do - simply because you had the courage to believe in your potential and to hold on to your dream.

Beautiful sister and handsome young brother,  
You live in a city unlike no other. With mil-  
lions of people who hurry about, Gooing here,  
going there, trying to figure it out.

These are people who come here from far, far  
away, to see all the sights and especially  
Broadway. you can see the Bronx Zoo, Brook-  
lyn Brigde, and Twin towers, There are things  
in museums you can stare at for hours.

Ther are gardens and airports, and the world's  
tallest steeple, and foods from all nations to  
please all the people.

You are young, you are strong, you are able  
and smart, You can make a big difference,  
give us all a fresh start.

We're depending on you to come up with so-  
lutions, for poverty, war, and a thousand pol-  
lutions. We know you can do what you plan  
to achieve, Go ahead, take a chance, you just  
have to believe.

You show promise to change all the ills of the  
past, Make King's dream come true - to "Be  
Free At Last!" You are treasures to fathers and  
mothers and teachers, get away from the cor-  
ners, come down from the bleachers.

Go stand center field, stand tall and be proud,  
say, "I will be a winner!" and shout it out  
loud.-p. Bynum

# 95 HAIL WEEQUAHIC

Our challenge to the orange and brown  
As orange and brown we sway  
Undaunted our refrain is sung  
Weequahic will win the fray.

All hail our steadfast Indian host.  
Of braver warriors none can boast  
And we will fight to do or die,  
And win for you, dear Weequahic High.

It's so hard, so hard to be an Indian,  
It's so hard, so hard to be a Weequahic Indian.

No one knows what tomorrow holds,  
But we have to keep the faith alive.  
It's so hard to do, when there are ups and downs.  
Yet, Weequahic taught us to strive.

So, hail fond Weequahic  
We pledge our faith and honor true  
Your mighty name will loudly ring  
To Weequahic High, praises we sing.

It's so hard, so hard to be an Indian,  
It's so hard, so hard to be a Weequahic Indian.

From our fortress on the hill,  
Where we stand side by side.  
We sing your praises with a will,  
As family we rise!

It's so hard, so hard to be an Indian,  
It's so hard, so hard to be a Weequahic Indian.

From our fortress on the hill,

Where we stand side by side.

We sing your praises with a will,

As family we rise!

It's so hard, so hard to be an Indian,  
It's so hard, so hard to be a Weequahic Indian . . .

M. Cheryl Howard, OBA advisor, separates the peas from the corn as they get the boxes ready to go.

The O.B.A., (Orange and Brown Association) once again felt the need to answer "the call". Under the direction of Ms. C. Howard, the advisor, the students and staff of Weequahic High School, collected and donated boxes of canned goods and other non-perishable items.

With monies donated, the O.B.A. purchased five large "gobblers" (turkeys), to complete the Thanksgiving meals for deserving families in the school and community. The O.B.A. (student government) continues to be of service to the community. They are committed to helping out wherever there is a need.

Wild, crazy, and fun. Switch day was exciting. The boys dressed up as girls and the girls dressed up as boys. The boys were looking good with their mini skirts, wigs, and big hooters. The girls were looking fly with their baggy jeans. It was a nice day. We should do this all the time!!!

Eighteen days absent from school and you fail for the year. Too many days tardy and they send the attendance counselors after you, stay home, (if you can) and your mom puts you to work, hide under the bed 'til your parents have gone to work. Try to bribe Grandma and Pa not to tell you skipped school . . . so what's a student to do??? Come to school in PAJAMAS!

# VOLLEYBALL

The Weequahic "Volleyball Indians" played a fast paced, grueling season this school year. There are many first year players on the team. They continued to improved their playing skills as the season progressed. The coaching skills of Head Coach L. Mcleod and assistant Coach K. Morton, the team members not only improved their play, but they also became a tighter unit that will be a serious threat to all other teams. We wish the '95-'96 volleyball team mush deserved success in the upcoming season. Always remember keep alert, pounce and score. Weequahic - the home of the "winners".

# REMEMBERING WEEQUAHIC HIGH SCHOOL

I came to Weequahic on (month/yr.) \_\_\_\_\_.

I remember having \_\_\_\_\_ for home-

room teachers. Of all the subjects and teachers that I have had, here at Weequahic, my favorite were \_\_\_\_\_

and \_\_\_\_\_. One of my fondest memories is \_\_\_\_\_

\_\_\_\_\_.

\_\_\_\_\_ . One of my most embarrassing moments happened

when \_\_\_\_\_

\_\_\_\_\_.

My senior year finally rolled around and I found myself constant- in the company of my good friends \_\_\_\_\_

\_\_\_\_\_ and \_\_\_\_\_.

I became involved in (clubs, activities, sports, etc.) \_\_\_\_\_

\_\_\_\_\_.

Time passed so quickly and before I knew, it was "Prom Night". \_\_\_\_\_

\_\_\_\_\_ was my prom date.

We drove to the prom in a \_\_\_\_\_.

We wore \_\_\_\_\_.

\_\_\_\_\_ was crowned Prom King and \_\_\_\_\_

was crowned Prom Queen. The prom was held at \_\_\_\_\_

\_\_\_\_\_ in \_\_\_\_\_.

The theme was \_\_\_\_\_ and we

danced all night to \_\_\_\_\_.

Wow! Graduation was here! Graduation was held on Unterman Field. My family members \_\_\_\_\_ and

friends \_\_\_\_\_ came to congratulate and

celebrate with me. I am so happy . . . . yet, I know that "it's so hard to say goodbye to yesterday."

See ya'
